CROSS-OVER™ WRAPS

CROSS-OVER™
high speed wrap arounds

The Motor City Cross-Over™ wrap arounds, like white on rice, hugs to the most difficult of vehicle shapes. Soft, quiet and gentle, The Cross-Over™, with its fluid natural movement, cleans the front, sides and the rear of vehicles from top to bottom with a solid 2/3rds cleaning overlap in the fronts and rears. The Cross-Over™ operates within an amazing 13ft. envelope, at an incredible 180 cars per hour. Best of all, the Cross-Over™ requires very little adjustment. Simply set the machines 4 air valves and let the Cross-Over™ go. From 80 to 180CPH you will be amazed at how consistent it operates.
